

CALL FOR EXPRESSION OF INTEREST: SUPPORT TOOL FOR USING THE POOL OF TRAINERS

DEADLINE: Applications will be accepted and processed on a rolling basis until **30 October 2022**

BACKGROUND

The capacity building of our Member Organisations is of vital importance to the European Youth Forum and hence we want to continue offering a support tool for our Member Organisations to use the services of the Pool of Trainers. The support tool provides **full or partial remuneration of the per diem costs for selected trainers**, for organisations interested to use the services of the Pool of Trainers (PoT).

It is offered to Member Organisations, who wish to use the expertise and services of the PoT, and are facing particular financial and budgetary challenges with the goal to strengthen their capacities and support organisational development.

CRITERIA

The applicant organisation must comply with the following criteria:

- Be a member organisation of the European Youth Forum;
- The event for which the support is requested is of significant capacity-building importance for the organisation and has a pedagogical added value;
- To have their membership fee paid for the previous year;
- International dimension of the event is an added value.

The European Youth Forum will cover per diem costs for the selected trainer/s, fully or partly, based on the available budget and the interest received.

If the event takes place in person, the organisation requesting the training is asked to cover the trainer's travel, accommodation and meal costs. The Youth Forum is accepting applications for events to be held until 30 November 2022. Applications will be accepted and processed on a rolling basis until 30 October 2022. If the budget has been spent, the registration form will be closed earlier.

APPLICATION & SELECTION PROCEDURE

Interested Member Organisations should express their interest to use the support tool, by completing the following [form](#). Applications that fulfil the criteria will be reviewed on a first-come-first-served basis and the applicant will be informed on the selection as soon as possible. Please note that the budget available is limited and that the Youth Forum may not be able to respond to all the expressions of interest received positively.
