

Eupen, 18th September 2020

To whom it may concern,

The Rat der deutschsprachigen Jugend (RDJ) hereby officially nominates Frédéric Piccavet (VJR) as our candidate for Vice President of the European Youth Forum (YFJ) for the period of 2021-2022.

RDJ is a long-time member of the Youth Forum and closely cooperates with the two other Belgian youth councils. Within the YFJ, the Forum des jeunes, the Vlaamse Jeugdraad as well as the RDJ work closely together in order to promote the interests of the Belgian youth on a European level. Within this context, Frédéric Piccavet showed always great interest in our personal work and opinions. In the past two years, he worked active in the development of the YFJ in his position as a board member. We think that he not only possesses the right skills, which were needed to represent the Belgian youth councils in the Youth Forum, we are also convinced that his selection as Vice President would be a benefit for the work of the YFJ.

Should you have any question, do not hesitate to contact our organization.

Kind regards,
