Nomination letter for Frédéric Piccavet (VJR) for the position of Vice President of the European Youth Forum

Dear European Friends,

With this letter, the **Flemish Youth Council (VJR)** wants to officially nominate **Frédéric Piccavet** as our candidate for the **position of Vice-President of the European Youth Forum**.

VJR is an active and long-time member of the European Youth Forum. It is with great pleasure that our organisation can inform the membership that we nominate Frédéric for this position. VJR has and always had a strong focus on European affairs and the work of YFJ. The last two years Frédéric was already member of the board of the European Youth Forum. During this mandate and his two years as European Youth Representative of the Flemish Youth Council (VJR) he putted the European Affairs high on the agenda of VJR. For us his candidacy is a unique chance of continuing and strengthening our work on the European level.

During the last years, Frédéric showed a great commitment to the work of the European Youth Forum. He showed commitment through his mandate as the European Youth Representative of VJR and through all the work he did during mandate as board member of the European Youth Forum. Frédéric's work as youth and student representative has been of great importance at the Flemish and European level. It has given him a big amount of experience and knowledge about strong advocacy for Youth Rights.

We know Frédéric as a hard-working volunteer with a passion for youth rights. We are convinced that, with his enthusiasm, knowledge and experience, he will be a great added value for the work of the European Youth Forum.

You can always contact Frédéric or VJR for more questions on his candidacy.

Kind reagrds,

Alexandra Smarandescu
President

Inge Geerardyn
Secretary General
