

CALL FOR EXPRESSION OF INTEREST: SUPPORT TOOL FOR USING THE POOL OF TRAINERS AND EXPERTS

BACKGROUND

The capacity building of our Member Organisations is from vital importance to the European Youth Forum. Therefore as part of the Implementation Plan 2019, we developed a support tool for our Member Organisations to use the services of the Pool of Trainers & Experts.

The support tool provides full or partial remuneration of the per diem costs for selected trainers, for organisations interested to use the services of the Pool of Trainers & Experts (PoTE).

It is offered to Member Organisations, who wish to use the expertise and services of the PoTE, and are facing particular financial and budgetary challenges. It is indeed to allow Member Organisations with limited resources and lower capacities, to strengthen their organisational development and growth.
